

Network Sharing

for Freedom Blue PPO and Community
Blue Medicare PPO members

**Nationwide partnerships for
feels-like-home coverage.**

With Network Sharing, you have access to the coverage you love, wherever you roam, in 39 states and Puerto Rico*.

When you need care, find an in-network doctor or location that's willing to "share your care" and you're all set. If instead you choose an out-of-network option, keep in mind you may be paying more.

We've made it easy for you to find a participating Blue Cross and Blue Shield Medicare Advantage PPO network.

Call Member Services.

The team will gladly assist you. You can find their number on the back of your member ID card.

Search online.

1. Visit provider.bcbs.com.

2. Click select a plan.

3. Enter the first three letters of your member ID number.

Click select by plan name. From there choose Medicare Advantage PPO and scroll down to choose Pennsylvania, Highmark Blue Cross Blue Shield.

4. In the your location field, enter your desired location.

5. In the search field, enter the doctor or service you're looking for and click the search icon.

6. From there, click on the search results and within Insurance Details, make sure Medicare Advantage PPO is listed. If it is, that means you found a participating network and you're good to go! If not, check out the next page for more details.

Search complete? Decision Made?

Your search results AND your choice in provider or location will determine your coverage — and ultimately your payment.

Here's what's next.

If you found a local participating network...

Great. You'll have full coverage after your usual copayment or coinsurance. (Just like at home.)

If there were no participating networks near you...

Unfortunately, there are a few areas throughout the country where we don't have partnerships. In this case, you'll be covered at the out-of-network level.

If there was a participating network near you, but you've chosen a non-participating option...

You'll be covered at the out-of-network level.

If you had no time to search because it was an emergency...

No problem. Emergency and urgent care are always the exceptions to the rule.

Those services are always covered at in-network rates, regardless of where you receive care.

When you hit the road, you can count on the suitcase.

The Medicare Advantage suitcase symbol on your card grants you coverage away from home. Simply present the card, and we'll take it from there.

Don't forget: Details and costs may vary depending on your specific plan.

- If you have a Freedom Blue PPO plan, your out-of-network and in-network costs are the same for most services — including doctor's visits and hospital stays.
- If you have a Community Blue Medicare PPO plan, your out-of-network costs will be the same for primary care doctors and specialists, but other services will likely be higher than the in-network copay.
