## Section 1 – Introduction

This directory provides a list of Security Blue HMO-POS and Freedom Blue PPO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

From time to time, contract status may change, meaning that a provider's listing in the directory does not guarantee that the provider is still in the network or accepting new patients. If you regularly see a network provider, and that provider's contract is terminated, Security Blue HMO-POS or Freedom Blue PPO will notify you in writing regarding your options 30 calendar days before the effective date of the termination.

**Security Blue HMO-POS members only:** Security Blue HMO-POS members will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). You may select any provider from the Preferred Providers/Primary Care Providers section of this directory as your preferred provider.

**Freedom Blue PPO members only:** Freedom Blue PPO members are encouraged to choose a preferred provider/PCP, but it is not required. You may select any provider from the Preferred Providers/Primary Care Providers section of this directory as your preferred provider.

The "network providers" listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

**Security Blue HMO-POS members only:** Security Blue HMO-POS is a plan with point-of-service out-of-network coverage for certain benefits. We cover some health care services that you get from non-network providers. You may see out-of-network providers as long as the services are covered benefits and medically necessary, and as long as the provider has not opted out of the Medicare program. You may pay more for services than you would if you used a network provider. See your Medical Benefits Chart in the Evidence of Coverage (EOC) for information on what services include point-of-service out-of-network benefits, or contact Customer Service.

If you get a health care service from a network provider, this is known as an "in-network" service. Eligible in-network services are covered in full except for small copayments or coinsurance for certain services. A health care service you get from a non-network provider is known as an "out-of-network" service. You may use non-network providers to get some of your covered services, but your out-of-pocket costs may be higher than if you use our network providers. There are special rules for out-of-network services. Certain services that we offer are not covered out-of-network. Also, you do not need to get a referral or prior authorization when you get out-of-network services from non-network providers. However, before getting an out-of-network service, you may want to check with your plan to see if the services you are getting are covered by your plan and are medically necessary.

**Freedom Blue PPO members only:** Freedom Blue PPO members may go to any health care provider of their choice--either in or out of the Highmark Medicare Advantage PPO Network--as long as the provider has not opted out of the Medicare program. If you get a health care service from a network provider, this is known as an “in-network” service. Eligible in-network services are covered in full except for small copayments or coinsurance for certain services. A health care service you get from non-network provider is known as an “out-of-network” service. You may use non-network providers to get your covered services, but your out-of-pocket costs may be higher than if you use our network providers. There are special rules for out-of-network services. Certain services that we offer are not covered out-of-network. Also, you do not need to get a referral or prior authorization when you get out-of-network services from non-network providers. However, before getting an out-of-network service, you may want to check with your plan to see if the services you are getting are covered by your plan and are medically necessary.

Out-of-network/non-contracted providers are under no obligation to treat Security Blue HMO-POS or Freedom Blue PPO members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

Before you pay any bills you receive from any provider either in or out of the Highmark Medicare Advantage Network, call the Customer Service Department for instructions, Monday through Sunday between 8:00 a.m. and 8:00 p.m. at 1-800-935-2583 for Security Blue HMO-POS or 1-800-550-8722 for Freedom Blue PPO. TTY users should call 711. Eligible services will be paid by Security Blue HMO-POS or Freedom Blue PPO. You should never pay any non-network provider more than what the provider is allowed by Medicare. Ask the non-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-network provider for our share of the bill and will let you know what, if anything, you must pay. If you pay for any emergency or urgent care you receive from providers who are not part of the network, request reimbursement by submitting the receipt(s) for care you received to the address listed below:

Highmark Medicare Advantage Customer Service  
P.O. Box 1068, Pittsburgh, PA 15230

For emergency care, including post stabilization care, and urgently needed care, your out-of-pocket costs will be the same both in and out-of-network. For cost sharing information see your Evidence of Coverage (EOC).

Security Blue HMO-POS and Freedom Blue PPO also pay for medically necessary, non-emergency services needed to ensure that the member remains stabilized, from the time the treating hospital requests authorization until the member is discharged from the hospital, placed in the care of a Highmark Medicare Advantage Network doctor, or the treating doctor and Highmark Blue Cross Blue Shield agree to another arrangement.

Security Blue HMO-POS and Freedom Blue PPO also pay for treatment members need for illnesses or injuries which are not emergencies, but which could cause serious problems or endanger your health if treatment is delayed. You are covered for such urgent medical needs while you are within or outside the service area. If the Highmark

Medicare Advantage Network is not available or accessible due to an unusual event, you are also covered for urgent care you receive from any provider.

Security Blue HMO-POS and Freedom Blue PPO members in the service area may go directly to any provider of choice for urgent care. When out of the service area urgent care may be obtained from the first available provider.

Security Blue HMO-POS and Freedom Blue PPO pay for emergency care members receive within the service area and while traveling outside of the service area, for both inpatient and outpatient services that are furnished by a qualified provider and needed to evaluate or stabilize an emergency medical condition. When you need emergency care, go directly to a hospital emergency room or call 911 or your local emergency number.

Show the hospital your Membership (ID) Card. In an emergency, you never need to contact any plan provider, even your own PCP, for authorization. However, as soon as possible, you or someone else should contact your PCP so that he/she may provide follow-up care.

All Network physicians are carefully screened and credentialed to meet strict quality standards. Before you contact any provider in this directory, please read your Evidence of Coverage (EOC) for detailed information about your specific plan's benefits, limitations, copayments and coinsurance, and how to receive care.

Highmark Blue Cross Blue Shield understands the importance of helping our members find Network health care providers who are accessible to people with physical disabilities and who can communicate with people who have sensory disabilities. If you'd like to know if a particular health care provider can accommodate these special needs, please contact the provider's office directly. If you prefer, call the Customer Service Department at 1-800-935-2583 for Security Blue HMO-POS or 1-800-550-8722 for Freedom Blue PPO, Monday through Sunday between 8:00 a.m. and 8:00 p.m., TTY users should call 711, or visit our Website at [www.highmarkblueshield.com/medicare](http://www.highmarkblueshield.com/medicare) and click on "Resources", type in your Zip Code and click on "Go To Resources", click on "Learn More" under "Find a Provider."

As a member of Security Blue HMO-POS or Freedom Blue PPO plans, you can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with to distinguish them from other pharmacies in our network that offer standard cost-sharing.

Our Provider Directory provides you with insight into the practice-level performance of network physicians participating in the 2015 Highmark Medicare Advantage Incentive Program. The Quality Rating program was developed by Highmark and is based on the clinical measures monitored by the Centers for Medicare and Medicaid Services. The measures on which physician practices were rated are clinically-supported standards of care that we expect all of our members to receive.

The directory displays the overall rating earned by the physician practice. Our members consider many factors in the selection of a physician or physician practice, and we offer these ratings to help you choose quality care. Practice level performance of network physicians participating in the 2015 Highmark Medicare Advantage Incentive Program were measured at a designated point of time. The current rating will remain in place until a new rating is available.

You can find this overall score listed in the directory as **Physician practice quality rating**.
