

Security Blue HMO-POS Additional Information

Eligibility and Restrictions

Anyone who is entitled to Medicare Part A benefits and enrolled in Medicare Part B is eligible to enroll in a Medicare Advantage plan. However, if you are already enrolled in a Medicare Advantage plan such as an HMO or PPO and then enroll in a Security Blue HMO-POS plan, you will be disenrolled from your Medicare Advantage plan. You must also live in the Security Blue HMO-POS service area and not be enrolled in any other Medicare approved prescription drug plan. Individuals with Medicare may enroll in a prescription drug plan during specific times of the year.

As a member of our plan, you can choose to receive care from out-of-network providers.

Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. You may be able to get extra help to pay for your prescription drug premiums and costs. To see if you qualify for getting extra help, contact:

- 1-800-MEDICARE (1-800-633-4227) 24 hours a day, seven days a week. TTY/TDD users call 1-877-486-2048, www.medicare.gov on the Web.
- The Social Security Administration at 1-800-772-1213 (TTY/TDD users call 1-800-325-0778), between 7 a.m. and 7 p.m., Monday through Friday, www.socialsecurity.gov on the Web.
- Your state Medicaid office

Potential for Contract Termination

All Medicare Advantage Plan Sponsors agree to offer the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a sponsor decides not to continue, it must send you a letter at least 60 days before your coverage will end. The letter will explain your options for choosing other Medicare Advantage and Medicare prescription drug coverage in your area.

Disenrollment Rights and Instructions

Voluntary Disenrollment

During the Annual Election Period (October 15 through December 7), anyone with Medicare will have an opportunity to switch from one way of getting Medicare to another.

Generally, you cannot make any other changes at other times except in certain situations, such as if you move out of your plan's service area, want to join a plan in your area with a 5-star rating, or qualify for (or lose) Extra Help paying for prescription drug costs. If you wish to leave Security Blue HMO-POS, you will need to submit a written and signed disenrollment request to Security Blue HMO-POS. You may also call 1-800-MEDICARE. Medicare Customer Service Representatives are available 24 hours a day, seven days a week. TTY/TDD users should call 1-877-486-2048. Until your disenrollment is effective, you must continue getting your health care through Security Blue HMO.

If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Appeals and Grievances

Members of Security Blue HMO-POS, their physicians, or authorized representatives acting on the member's behalf may request an appeal of an adverse organization determination or coverage determination made by Security Blue HMO-POS. Examples of reasons an appeal may be filed include: the member believes he or she was denied benefits that the member is entitled to receive, the member believes there has been a delay in providing or approving the drug coverage, or the member disagrees with the amount of cost sharing he or she is required to pay.

(This would not include requests for payment of drugs already furnished.) A request for an Expedited Appeal can be made orally or in writing. Security Blue HMO is required to notify the member and the prescribing physician of its decision as quickly as the member's health condition requires, but no later than 72 hours after receiving the request.
